ASPECT

OVERVIEW

Distinctive, contemporary design and the simplicity of its lines, Aspect provides maximum space for relaxation.

The back of the sofa is perfectly contoured to support the lower back and increase comfort. To further enhance the comfort, the one-piece seat is sprung to create a truly comfortable sit.

The tall, slim wooden legs amplify the ethereal feel of this range of sofas. Available in two & three seaters along with an armchair, this range certainly makes a statement.
